Description: Mansard House is a substantial Grade II listed village house dating from the 1700s with most attractive external elevations of brick and weatherboard beneath a slate tiled roof. The property has been in the same ownership for over 30 years and benefits from having lovely high ceilings and period features throughout and provides flexible and spacious accommodation of approximately 1,889sq.ft/175.5sq.m. The house has been well maintained yet offers excellent scope for some general updating and remodelling, if required (subject to the necessary consents).

The accommodation is arranged over three floors and includes on the ground floor: a spacious entrance hall with stairs to the first floor and a door leading to a well-proportioned sitting room, which has a superb inglenook fireplace fitted with a wood burner, exposed beams, a pair of large sash windows to the front and steps down to a good-sized dining room, which has a further feature inglenook, storage cupboard, French doors leading out to the garden and sliding door to the kitchen. The kitchen has quarry tiled flooring and is fitted with a range of solid wood wall and base units and has a door to a good-sized conservatory – this space offers excellent scope for remodelling to create an open plan kitchen/dining room. A door from the kitchen leads back to entrance with a door giving access to a wc/cloakroom. On the first floor there are three double bedrooms (one bedroom currently being used as a study) and two shower rooms. On the second floor there is a spacious landing, two further large double bedrooms and an attic space offering scope to create an additional bathroom.

The property is approached off the High Street and has private south east facing rear cottage garden, which is mainly laid to lawn and planted with a variety of mature shrubs and plants. There is a good-sized terrace, a shed and the garden is fully fenced.
